# CAMP MANATOC

BOY SCOUTS OF AMERICA  
1075 TRUXELL ROAD  
PENINSULA OH 44264

Greetings Troop Leaders,

Welcome and welcome back to Camp Manatoc! Thank you for taking the time to bring your troop for a week at summer camp. We are honored you will be with us. We hope you are ready for a great week.

This *Troop Leaders' Guide* will assist you in making your week memorable and productive. It is your reference for procedures related to summer camp operations. Program information may be found in the [Program Guide](#).

Scouts have been attending Manatoc since 1922. Through the years, the location, size, and facilities of the camp may have changed, however the purpose has not. The purpose is to provide quality program opportunities that allow youth and adults to provide service to others, build self-confidence, have affection for the outdoors, reinforce spiritual values, develop integrity, and acquire leadership skills so that Scouts and Scouters may say, "It was all we hoped for and more!"

That's the reason our sign reads, "To These Things You Must Return."

Yours in Scouting,

Mike Thompson,  
Summer Camp Director

Chris Bergdorf,  
Director of Camping

# PLANNING FOR CAMP

## RESERVATIONS

Unit reservations for summer camp are handled by the [Great Trail Council](#) office. You can contact the camping desk for more information (330-773-0415 x 221.) Reservations may be made by visiting <https://scoutingevent.com/433-manatoc2018>

## PREPARATIONS FOR A SUCCESSFUL CAMP EXPERIENCE

1. One of your most important roles of youth and adult leaders is to set the expectation for a week at summer camp. Begin talking about Summer Camp at meetings so new Scouts learn about Manatoc and become eager to attend. Talk about the program areas and the fun they will have.

2. Hold a Parents' Orientation Meeting in April or May. This is a great opportunity to explain the benefits of attending summer camp. This meeting also helps reassure new parents. Be sure to include:

- Why the Troop choose Camp Manatoc.
- Photos from previous years.
- Dates, time, fees, and campsite.
- Camp program.
- Medical forms and any other paperwork.
- Packing list.

The Council has promotional materials available to assist you in "selling" camp to your scouts and parents.

3. Conduct swim tests prior to your week at camp if possible. Troops which have access to swimming facilities and would like to conduct swim tests on their own may do so provided they meet the following requirements:

1. The swim test administrator must hold current approval from the Great Trail Council Aquatics committee. Approval includes:
  - a. Holding current certification in at least one of the following: Aquatics Instructor BSA, BSA Lifeguard, Aquatics Safety: Swimming and Water Rescue.
  - b. Provide a copy of valid certification from one of the above disciplines when submitting your form. See BSA Form #430-122.
2. Swim tests must be conducted in the current calendar year.
3. Document the results of the test on the form included with the [test administration package](#).
4. Comply with all other instructions in the test administration package.

Questions about this procedure may be addressed to [aquatics@manatoc.org](mailto:aquatics@manatoc.org).

You may also get your swim test done early at camp before the season begins. The Manatoc pool will be available for swim tests provided by our staff on June 9, 2018 from 1-4pm. Please bring each Scout's medical form. The staff will stay until all swim tests are completed.

4. Collect camper fees and forward them to the Great Trail Council office.
5. Collect medical forms. Only Form 680-001 (2014) will be accepted. It is available online at [http://www.scouting.org/filestore/HealthSafety/pdf/680-001\\_ABC.pdf](http://www.scouting.org/filestore/HealthSafety/pdf/680-001_ABC.pdf) Review the forms for completeness, including insurance information, medications, and proper signatures. Remind the individuals taking medications to bring the medication to camp in the original container.

6. Pre-plan Scouts' advancement program during camp. Log on to <https://scoutingevent.com/433-manatoc2018> to complete your roster and merit badge registrations. Remind scouts about the prerequisites for merit badges as well as any work that may be completed prior to attending camp.

7. Upload all campers' names to: <https://scoutingevent.com/433-manatoc2018> to complete your Troop Roster.

8. Secure required "two-deep" levels of adult leadership for the entire week.

9. Ensure that all Scouts and Leaders are currently registered with the BSA.

## AFFORDING CAMP

Each Scout should be encouraged to raise the funds necessary to pay for his summer camp. This can be done at the unit level with fundraisers like popcorn or other means available to the Scout.

There are a limited amount of Campership funds available for Great Trail Council units attending Camp Manatoc. If you have a Scout that needs assistance, please visit <http://bit.ly/campership-18>.

## ON-LINE MERIT BADGE REGISTRATION AVAILABLE

Registering Scouts for instruction in advance will allow you access to several reports consolidating your Scouts' schedules in one easy to access location. Access your account at: <https://scoutingevent.com/433-manatoc2018>

## PREPARING MEDICAL FORMS

Acquire the necessary number of “Buddy Tags” for your Troop at the Ten Day Meeting. Fill tags out with Scouts name on front and Troop number and Campsite on back. Place them in a plastic bag.

Delegate an adult Medical Form Supervisor who will:

1. Collect all Medical Forms to check for: parental signature (boys), medical professional signature, insurance information, tetanus date, and noted allergies. Each Scout and Leader must have the most current completed medical form ([Form 680-001, 2014](#)).

5. Check the restriction part of the Medical Form to make sure Scouts who should not swim understand this.

## PROVISIONAL AND REPEATER CAMPERS

A Provisional Camper is a Scout who attends camp without his troop. Normally these Scouts will be included into another unit for the week. The fee for a Provisional Camper is the regular fee.

A camper who returns for another week of camp is a Repeater. The fee per week for Repeaters will be \$210.

## ONLINE ACCOUNT LOCKOUT

All Troop online accounts will be locked out at 8:00 on the Sunday morning of your arrival.

# PACKING FOR CAMP

## UNIFORM

The Boy Scout uniform makes all Scouts equal; regardless home, background, or anything else. Pride in the uniform and its history is shown when it is worn properly. The proper uniform includes: tan shirt, green shorts or pants, scouting belt, green socks, and an optional troop approved hat and/or neckerchief.

The full uniform is worn for Retreat, Dinner, and traditionally for Saturday morning breakfast.

## DAILY WEAR

At other times, a Scouting “activity uniform” is appropriate. This is a scouting T-short, shorts, socks and shoes. Shoes (not open-toed) are required at all times except at the swimming pool or in one’s own tent. T-shirts must be in good taste, not containing sexual innuendo or double entendre.

## WHAT NOT TO BRING

Camp Manatoc provides a refuge in the outdoors. For that reason, we ask your cooperation and discretion in leaving items such as televisions, gaming systems, generators, or anything else that could detract others around your campsite from enjoying their week.

For the safety of all participants, sheath knives, firearms, fireworks, alcohol, and drugs are not permitted on the camp property. Please consult the *Guide to Safe Scouting* for more information.

## CAMP PROVIDED EQUIPMENT

Each campsite has tents and dining flies setup for the maximum number of campers for which the campsite is rated. The tents are 7' x 10' canvas wall tents with wooden platforms. Each site will have a dining fly and two cots provided for leaders. The camp no longer rents cots.

A Leader should go to the Dining Hall to reserve seating if not already done at the Ten-Day Meeting.

Contact the Health Officer to make any arrangements for refrigerated medications and/or any other arrangements.

## TROOP PHOTOGRAPHS

Photos are taken at the Butler Memorial for a photograph. See the Forms Page for the order form and cost. Photos will be ordered and paid for during check-in or in advance on-line photographs are \$8.00 each. As soon as the Troop is ready, the Guide will take them to the Butler Memorial.

All campers planning to use the lake or pool need to complete a swim check either before camp or on the Sunday of your arrival. Guides will take Troops to the pool after photos are taken.

## CHECK-IN

Troops sign up for a Check-In time at their Ten Day Meeting. Check-In will be at the Lewis Conference Center. There should be a maximum of two leaders per troop at Check-In. Please make sure that a waiter for each table is at the Dining Hall 30 minutes before mealtime to have your table ready when the bell sounds. Waiters also must remain for about 15 minutes following the meal to clear their table. All Scouts should share in this detail. Everyone is expected to be in full uniform for supper.

If you did not “rent” the building, please refrain from using it unless there is an emergency requiring you to relocate your unit to that building. Leaders may bring a small refrigerator for the cabin for medications but no air conditioning units.

# HEALTH AND SAFETY

## HEALTH LODGE

The Health Officer is available 24 hours a day. All injuries or illnesses at camp, regardless of how minor, must be reported to the Health Lodge. The Health Lodge cannot administer any over the counter medications.

## NON-STANDARD MEDICAL TREATMENT

If the process of medical attention that you or your Scouts wish to receive differs from what would be commonly accepted due to religious or other beliefs, you must provide a signed letter detailing the appropriate instructions during check-in. This letter will remain on file with the Health Officer and shared with the appropriate medical staff.

## TROOP LEADERSHIP IN CAMP

Your unit must provide the appropriate leadership as dictated in *The Guide to Safe Scouting*: “Two registered adult leaders, or one registered adult and a parent of a participating Scout, one of whom must be at least 21 years of age or older, are required for all trips or outings. There are a few instances, such as patrol activities, when no adult leadership is required. Coed overnight activities require male and female adult leaders, both of whom must be 21 years of age or older, and one of whom must be a registered member of the BSA.”

## VISITORS

Each camper (youth and adult) will be issued an identification wristband to wear during the week. All visitors to your unit, other than Visitors’ Night, will need to stop at the Ad Building upon arrival to camp to sign in and receive a visitor’s identification wristband.

## HOMESICKNESS

A few Scouts are susceptible to homesickness. Youth and adult leaders need to be alert for symptoms. Keep your Scouts engaged in activities of the camp and your unit. Discourage the Scout from phoning home. In extreme circumstances, you may want to call a parent because you will want to use the family to encourage a resolution.

## LIQUID FUEL USE AND STORAGE

Adult leaders should supervise any use of liquid fuels in your campsite. Refer to the policies in the most current *Guide to Safe Scouting*.

Using liquid fuels for starting any type of fire, including lighting damp wood, charcoal, and ceremonial campfires or displays is prohibited.
